UNIVERSITY OF THE PUNJAB

Part-II   A/2016
Examination:- M.A./M.Sc.

Roll No. ....

Subject: Social Work (New Course)
PAPER: I (Social Policy Planning & Welfare Administration)

TIME ALLOWED: 3 hrs.
MAX. MARKS: 50

NOTE: Attempt any FOUR questions. All questions carry equal marks.

Q1: What is Social Policy? Briefly describe the essential components of a Social Policy for a developing country like Pakistan?

Q2: Please briefly discuss the common features of all four Social Policies of Pakistan.

Q3: Please discuss Policy Cycle as a Policy making process.

Q4: Please identify various models of Social Welfare Planning. Discuss Disjointed Incremental Model in detail.

Q5: Please discuss salient features of Social Sector Planning in Pakistan.

Q6: Please discuss the administrative structure of Social Welfare Department in the Punjab.

Q7: 'A Social Welfare Administrator is more than a manager'. Please comment.

UNIVERSITY OF THE PUNJAB

Part-II   A/2016
Examination:- M.A./M.Sc.

Roll No. ....

Subject: Social Work (New Course)
PAPER: II (Social Research Methods II)

TIME ALLOWED: 3 hrs.
MAX. MARKS: 50

NOTE: Attempt any FOUR questions. All questions carry equal marks.

(1) What are the essentials of research report? Write in detail.

(2) What is snow ball sampling technique? And when this technique is appropriate.

(3) What do you understand by probability and non- probability sampling techniques. Name few probability and non-probability sampling techniques

(4) Describe action research. And its importance in community development.

(5) What do you understand by classification ? what are the characteristics of good system of classification

(6) What factors influence the selection of research problem on the part of the investigator?

(7) White short notes

    (a) Random assignment

    (b) Internal and external validity.

UNIVERSITY OF THE PUNJAB

Part-II   A/2016
Examination:- M.A./M.Sc.

Subject: Social Work (New Course)   TIME ALLOWED: 3 hrs.
PAPER: III (Social Statistics & Computer Applications)   MAX. MARKS: 50

NOTE: Attempt any FOUR questions. All questions carry equal marks. Use the only scientific calculator and statistical tables allowed.

Q.1.   Construct a frequency distribution, using class interval of 5.00, starting at 56.0. Indicate the class boundaries and class limits clearly.

79.4,	71.6,	95.5,	73.0,	74.2,	81.8,	90.6,	55.9,	75.2,	81.9
68.9,	74.2,	80.7,	65.7,	67.6	82.9,	88.1,	77.8,	69.4,	83.2
82.7,	73.8,	64.2,	63.9,	68.3,	48.6,	83.5,	70.8,	72.1	71.6
59.4,	77.6,	87.0,	67.5	89.2,	78.6,	69.8,	74.9,	89.1	

Draw frequency curve and express the shape of the frequency curve.

Q.2.   Given below is the distribution of income of households in a locality.

Income:	35 – 39	40 – 44	45 – 49	50 – 54	55 – 59	60 – 64	65 – 69
No. of houses:	27	34	41	62	23	17	08

Compute Quartiles and express the shape of the frequency distribution.

Q.3.   The following table shows the age distribution of subscribers to a magazine.

Age:	10 – 19	20 – 29	30 – 39	40 – 49	50 – 59	60 – 69	70 – 79
Frequency:	10	48	57	36	25	10	9

Compute Co-efficient of variation using both corrected and uncorrected standard deviation.

Q.4.a)   It is assumed that 72% of a certain population of drivers regularly use seat belts. A random sample of 10 of these drivers is taken. What is the probability that the number of regularly using seat belts is seven?

b)   A random sample of 1000 iron rods are tested for their length and it is found that the mean and the standard deviation are 14.50 meters and 2.55 meters respectively. If the length of the rods are normally distributed then find (i) how many rods will be between 12.50 and 16.00 meters? (ii) What are the chances that any rod selected will be 15 meters length or above?

Q.5.a)   The mean life time of electric light bulbs produced by a company has in the past been 1120 hours with a standard deviation of 125 hours. A sample of 100 electric light bulbs recently chosen showed a mean lifetime of 1095 hours. Test the hypothesis that the mean lifetime of bulbs has not changed i.e. $H_0 : \mu = 1120$ using 5% level of significance.

b)   Given two random samples of size $n_1 = 9$, $n_2 = 16$, from two independent normal populations with

$\bar{X}_1 = 75$, $\bar{X}_2 = 60$, $S_1 = 13.61$, $S_2 = 11.05$ Test $H_0 : \mu_1 = \mu_2$ against $H_1 : \mu_1 > \mu_2$.

Assume that the populations have unequal variances.

Q.6.   The following table shows the relation between the performance of students in Mathematics and statistics.

Statistics Grades	High	Medium	Low
High	56	71	12
Medium	47	163	38
Low	14	42	85

Test the hypothesis that performance in mathematics and Statistics are independent at 5% level of significance.

Q.7.   Each of the sets of observations given below is a random sample drawn from a Normal population

A	49	42	47	76	69	58
B	48	44	50	58	70	49
C	44	57	34	48	50	47
D	58	54	64	69	53	64

Perform the analysis of variance to test for the equality of population means, at 5% level of significance.

UNIVERSITY OF THE PUNJAB

Part-II A/2016
Examination:- M.A./M.Sc.

Roll No. ....

Subject: **Social Work (New Course)**
PAPER: **IV (Social Legislation)**

TIME ALLOWED: **3 hrs.**
MAX. MARKS: **50**

NOTE: Attempt any FOUR questions. All questions carry equal marks.

1) What is the concept of social legislation and delineate upon the role of social worker in provision of legal assistance in juvenile justice system.

2) Define vagrant and give your opinion that why welfare homes established under The Punjab Vagrancy Ordinance, 1958 could not achieve its stated objectives.

3) Write a comprehensive note on the structure and jurisdiction of special courts in Pakistan.

4) Define jurisprudence. Discuss its relevance with other social sciences.

5) Discuss and explain Punjab Social Services Board and its functions.

6) What do you know about the registration of NGOs and give description of various legal specifications that is essential for the registration of NGOs under Voluntary Social Welfare Agencies (Registration and Control) Ordinance 1961.

7) Write a note on the followings.

I. Suspension and dissolution of governing bodies of NGOs under voluntary social welfare agencies (registration and control) ordinance 1961.

II. Objectives of social legislation

UNIVERSITY OF THE PUNJAB

Part-II   A/2016
Examination:- M.A./M.Sc.

Roll No. ....

Subject: Social Work (New Course)   **TIME ALLOWED: 3 hrs.**
PAPER: V (NGO Management & Leadership)   **MAX. MARKS: 50**

NOTE: Attempt any FOUR questions. All questions carry equal marks.

1. Which are the major fields of practice for NGOs? Discuss in detail.

2. Discuss the potential role of NGO in the development of backward and underprivileged societies like Pakistan.

3. Discuss the role of Governing Body in the management of NGOs?

4. Enlist different Pakistani laws for registration of NGOs. Write about the registration process of an NGO in the light of Voluntary Social Welfare Agencies (Registration & Control) Ordinance 1961.

5. What are major functions of NGO? Discuss in detail by giving examples

6. Discuss the major characteristics of NGOs working in developmental sector.

7. Write short notes on any two of the following.

   a. Role NGOs in disasters management

   b. Classification or type of NGOs

   c. Role of NGO leaders

UNIVERSITY OF THE PUNJAB

NOTE: Attempt any FOUR questions. All questions carry equal marks.

Q 1. What do you understand by "psycho-social analysis", its importance to diagnose the disease of the patient, discuss in detail? ·

Q 2. Discuss in detail the historical development of medical and psychiatric social work in the world.

Q 3. Define "TEAM", elaborate the Medical Social Worker role in TEAM for the rehabilitation of a patient.

Q 4. Different issues Pakistan is facing in the field of Health, give suggestions to resolve these issues?

Q 5. Define Social Case Work? Discuss Social Case Work Method Role in the field of Medical & Psychiatric Social Work by giving examples?

Q 6. Define the term HANDICAPPED, as a Social Worker what will you suggest for the rehabilitation of Handicapped People, discuss?

Q 7. Write short notes on any two of the following.

   a) Professional skills of worker

   b) Significance of Follow-Up

UNIVERSITY OF THE PUNJAB

Part-II   A/2016
Examination:- M.A./M.Sc.

Roll No. ....

Subject: Social Work (New Course)
PAPER: VII (Opt 1- Population Planning)

TIME ALLOWED: 3 hrs.
MAX. MARKS: 50

NOTE: Attempt any FOUR questions. All questions carry equal marks.

1-Write down the major causes of over population in Pakistan?

2-What are consequences of overpopulation on the environment?

3-Discuss the theory of Thomas Malthus on the growth population and resources.

4-Discuss in detail various roles of social workers for addressing the problem of over population in the Pakistan.

5-Which new trend should be introduced and adopted in the Pakistan for reducing family size?

6-How is over population responsible for poor economic growth in Pakistan?

7-What are various contraceptives methods for couples? Discuss with their pros and cons.

UNIVERSITY OF THE PUNJAB

NOTE: *Attempt any FOUR questions. All questions carry equal marks.*

Q.1. Discuss any Three Core Documents on Human Rights.

Q.2. Discuss the State of Human Rights in Pakistan.

Q.3. Define Human Rights and Discuss its Importance in Present Day World.

Q.4. Discuss International Convent on Civil and Political Rights 1966.

Q.5. Discuss the Violation of Human Rights in 3rd World Countries.

Q.6. What is the Value Base of Human Rights? Discuss in Detail.

Q.7. Write a Short Note on Any Two of the Following.

e) Human Rights in New Era.

f) Universal Declaration of Human Rights 1948.

g) Islamic Democracy and Human Rights

h) Three Generation of Human Rights

r
